Independent Accountant's Report

Robbie Rudolph, Secretary
Finance and Administration Cabinet
The Honorable Jason Scriber
Henry County Property Valuation Administrator
New Castle, Kentucky 40050

We have performed the procedures enumerated below, which were agreed to by the Henry County Property Valuation Administrator, (PVA) solely to assist you with the accountability for statutory contribution, receipts and disbursements, including capital outlay disbursements, city government receipts, recordkeeping, and leases and contracts for the period July 1, 2004 through June 30, 2005. This engagement to apply agreed-upon procedures was performed in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of the procedures is solely the responsibility of the Henry County PVA. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

Our procedures and findings are as follows:

1. Procedure -

Determine if the PVA has a receipt ledger, a disbursement ledger, and reconciles bank records to books each month. Re-perform the year-end bank reconciliation (June 30, 2005), to determine if amounts are accurate.

Finding -

Receipts and disbursements ledger are maintained and bank reconciliations are completed each month.

2. Procedure -

Compare recorded city receipts to confirmed payment amounts obtained from city governments. Also review the list of city receipts for completeness.

Finding -

Recorded city receipts agree with billing records. Also reviewed the list of city receipts for completeness.

3. Procedure -

Compare the budgeted statutory contribution by fiscal court to the legally required amounts calculated by the Department of Revenue. Trace the fiscal court payments from the fiscal court statutory contribution budget account to the PVA's local bank account.

Finding -

The fiscal court budgeted the appropriate statutory contribution required by the Revenue Cabinet and made payments to the Property Valuation Administrator. The PVA deposited the statutory contribution payments to the local official bank account.

4. Procedure -

Judgmentally select 15 disbursements from PVA records and agree amounts to cancelled checks, paid invoices or other supporting documentation. Determine if the expenditure is for official business. Review all credit card statements (if any) to determine if expenditures are for official business.

Finding -

Compared sample of disbursements from PVA's records and agreed amounts to cancelled checks and paid invoices. Expenditures were for official business. There were no credit card statements.

5. Procedure -

Compare capital outlay disbursements with cancelled checks, supporting documentation, and proper purchasing procedures. Verify the location of newly acquired assets. Determine if assets were added to the PVA's Capital Asset Inventory List.

Finding -

Proper purchasing procedures were followed for capital outlay expenditures and supporting documentation was available. We verified the location of all new purchases.

6. Procedure -

Scan vehicle lease agreements, personal service contracts, and professional service contracts for cost schedules and compare to actual payments. Determine if services received were appropriate, for official business, and properly authorized.

Finding -

There were no lease agreements or personal service contracts and the professional service contracts were appropriate, for official business, and properly authorized.

7. Procedure -

Compare PVA's final budget to actual expenditures to determine if PVA overspent in any account series.

Finding -

The PVA did not overspend in any account series.

8. Procedure -

Determine whether collateral is necessary for the PVA's funds. If necessary determine if the PVA was sufficiently collateralized for the year and if a collateral agreement exists.

Finding -

Collateralization was not necessary.

9. Procedure -

Determine whether timesheets are completed, maintained, and support hours worked.

Finding -

Timesheets were completed, maintained, and support hours worked.

We were not engaged to, and did not perform an examination, the objective of which would be the expression of an opinion on the receipts and disbursements, including capital outlay disbursements, city government receipts, recordkeeping, and leases and contracts. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the use of the Property Valuation Administrator and the Department of Revenue and is not intended to be and should not be used by anyone other than these specified parties.

Respectfully submitted,
